My dietitian is so great about...

My dietitian is so great about listening to me and wanting to help me be successful.

Kristen Symons, 1 hour ago

Rated **5.0** / 5 based on **9,470** reviews. Showing our 2, 3, 4 & 5 star reviews.

Get started in minutes

Scheduling your first appointment with a dietitian is simple.

Am I covered? 

What can we help you with?

Weight concerns

Gut health

1. Tell us about yourself

Let us know what your goals are and we'll find the right dietitian for you.

**Upload the front side
of your insurance card**

2. Provide your insurance

All our dietitians are in-network. You can relax and focus on your health.

INITIAL APPOINTMENT

Monday, May 1

1:00 PM with Katie Olson

Join appointment

3. Book an appointment

Use telehealth to meet with your Registered Dietitian wherever you are.

Find the perfect fit for your health journey

We want you to get exactly what — and who — you need from nutrition counseling. Our dietitian directory helps you find the right match for you and lets you book directly with whomever fits you best.

Dedicated dietitian

Your dietitian will support your health goals with regular telehealth appointments, post-session notes, and messages between sessions.

Personalized approach

Your dietitian will conduct a comprehensive assessment and work with your current healthcare providers to create a plan just for you.

Holistic health

Nourish is about more than nutrition. Your dietitian will consider fitness, sleep, mindfulness, supplements, and more on your health journey.

Mobile app

With your dietitian and our tools in your pocket 24/7, we'll help turn food from a stressor to a healer anywhere you go.

Goal tracking

Set goals for yourself and track your progress. Your dietitian will be your accountability partner as you build healthy new habits.

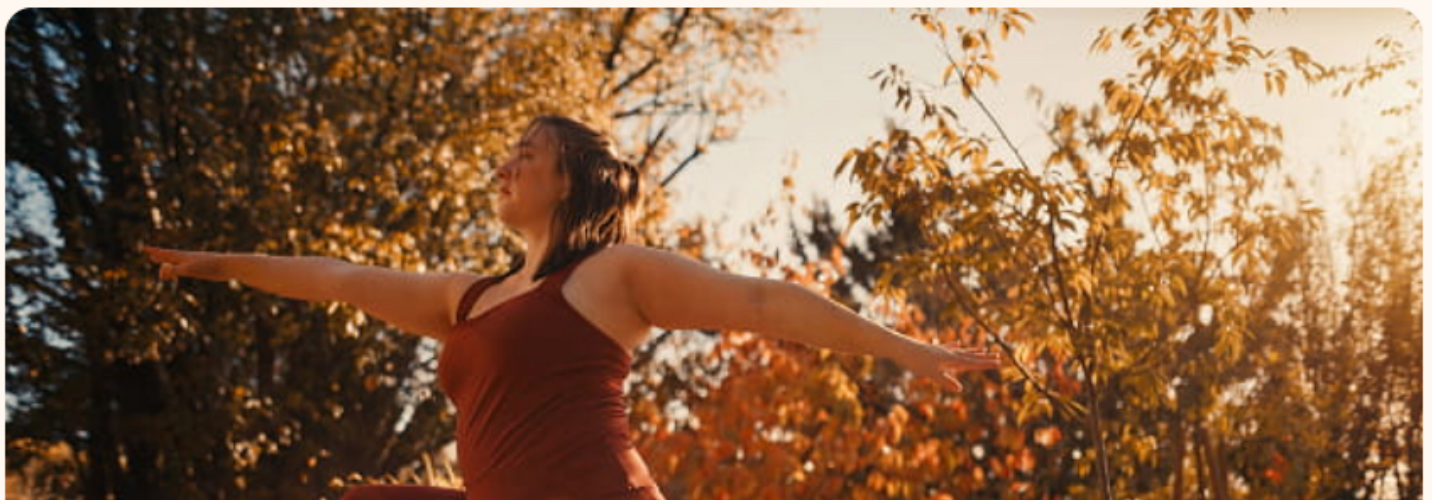

Curated content

We've made condition guides, recipes, meal ideas, and more available to you. You'll get recommendations from your dietitian too.
