More than 60,000 5-star reviews

Read why people love using Talkspace.

[See all reviews](#)

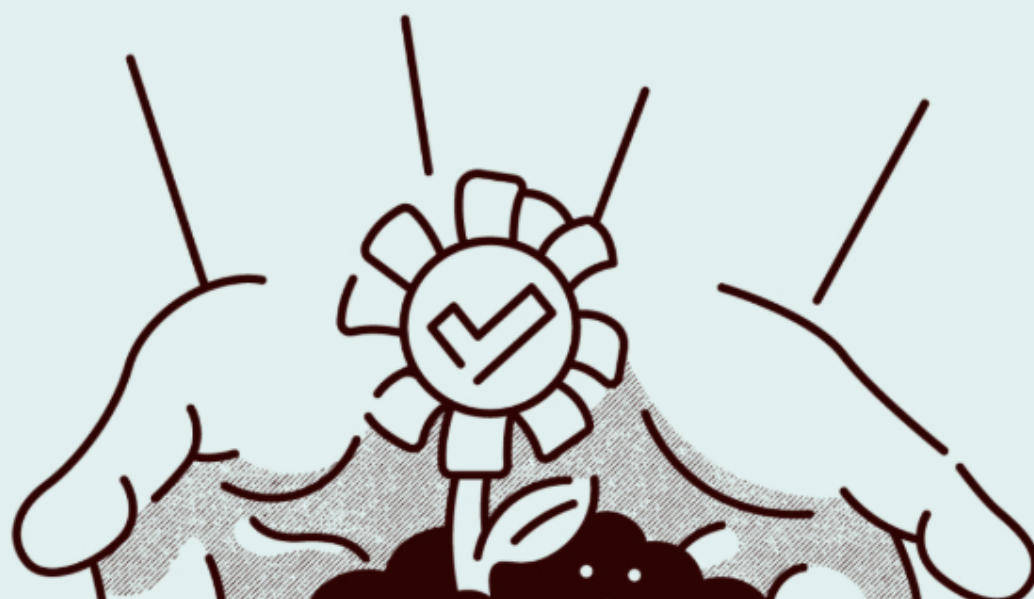

"There were a lot of things that I
was navigating as a first time mom.

"C

All of the hormones going back and forth, and my postpartum anxiety was like, really rough. My therapist really heard me and understood me. If you're ever feeling super-anxious, get yourself a therapist."

DARIANNY
